Ubaba Industries Nigeria Limited is a company specialized in providing services such as private equity, asset management and monetization, investment banking, financial instruments, gemology, as well as Commodity trading.

We provide financial assistance, analysis, and advice to investors, corporations, and consultants to startups and growth companies.

We provide debt financing service alternatives to medium sized private and public companies with a specialized focus on the downstream oil and Gas sector.

We back profitable projects and entities with organic or M&A growth opportunities.

Could you be looking for organic growth, international expansion or acquisition, or looking to exit? We have the right kind of expertise to help you accelerate your plans by implementing equity investments with very quick ROI to set you on your way towards your big goal.

Always trying to acquire a majority shareholding in companies to allow for owners to exit

- Protecting your legacy
- Unique – win win investment structure
- Truly collaborative approach

We invest the time to ensure that each transaction is tailored to address founder requirements. We are able to move quickly and can offer a unique deal structure that promises our collaborative approach.

OUR SUCCESS

Your success is our business. The preferred scaling and exit partner for small to medium sized businesses. We have a proven track record of partnering with talented managers in growth businesses and pooling our collective talents to deliver successful outcomes for all stakeholders.

We have a unique blend of experience and skills. From pure entrepreneurship and business ownership to large multinationals, consulting as well as fast growing digital businesses. Our functional expertise ranges from Leadership, Strategy, Digital & Technology, Sales & Marketing to Sourcing and Finance. We have Integrity and Drive as our core values and these are reflected in our innovative deal structure offering – a truly win-win approach.

GROWTH, SCALE, EXIT AND LEGACY

No matter what chapter of your entrepreneurial journey you are writing, Ubaba Industries Nigeria Limited can support you along the way. We invest in your success

- Unique mix of skills and experience
- A wide range of expertise from scaling and international growth to exit strategy
- 'Further together' ethos – striving for the win win
- We walk the talk and we walk it with you
- Unique deal structures that deliver long lasting benefits

SUCCESS

GROWTH SPECIALISTS

At Ubaba Industries Nigeria Limited we seek to be the ideal partner for ambitious management teams in high growth businesses. We have a long track record of successfully backing talented teams in niche market leaders or businesses.

We have also been in the trenches ourselves. We and our investors have all founded and grown substantial businesses, and understand the unique challenges growth brings.

PARTNERSHIP

Partnership is the bedrock of our success. Our relationship with the executive team is absolutely fundamental to our investment decision.

OPERATORS

We, our investors, and the members of our Entrepreneurs Club have founded, managed and grown successful venture-backed businesses. We have been in the trenches, with the highs and lows, and we get it.

VISION

Our vision is to contribute to sustainable development by playing our part in building market-leading businesses through our focused approach, and continuous enhancement of our shareholders' value.

MISSION

- To build a strong network of core business activities in order to reach sustainable growth of the company.
- To design new ideas and develop our businesses, in order to become competitive in a global marketplace and deliver the highest value to our customers, employees and shareholders. Strength is our team provide our employees with development and advancement opportunities to expose their talents and strenghts.

CORE VALUES

In pursuing our mission and vision, Ubaba Industries Nigeria limited is guided by three core values

INTEGRITY

We will manage our business honestly and ethically. We will always do what is right and take personal responsibility for our actions.

TEAMWORK

We will work together as a team using our employee's unique talents and skills in a spirit of cooperation and trust, holding each other responsible for achieving our mission.

COMMITMENT

We will commit ourselves to the success of our company, to the pursuit of excellence, to the growth of our employees, and to seeking unique investments opportunities with good returns to our shareholders
